**DESIRING GOD**

This is the great business of life - to “put our mouths out of taste for those pleasures with which the tempter baits his hooks.” I know of no other way to triumph over sin long-term, than to gain a distaste for it, because of a superior satisfaction in God. God remains gloriously all-satisfying. The human heart remains a ceaseless factory of desires. Sin remains powerfully and suicidally appealing. The battle remains: where will we drink? Where will we feast? Feast on God. (An excerpt from John Piper’s book *Desiring God*).
