**INDEPENDENCE DAY**

This is the month we celebrate the birth of our nation and the signing of the Declaration of Independence. July 4<sup>th</sup> serves as a reminder that we once were governed by a foreign nation, namely Great Britain. A costly war for our independence was waged against the British from 1775-1783. Approximately 23,000 men and women lost their lives in that fight for our freedom. We enjoy liberty and freedom today because of a great price paid some 241 years ago.

Nearly 2000 years ago, a greater price was paid for the liberty and freedom of humanity. The God of the universe sent His one and only Son, Jesus, into a broken and dysfunctional world to pay a price that no human could ever pay. The sinless One died at the hands of sinners on a cruel cross on a hill called Calvary. Bearing the guilt of sin and the wrath of God against that sin, Jesus made a way of salvation for all who would believe in Him. Three days later, Jesus rose from the dead, conquering death. If you believe in Jesus, Scripture says that the final death will hold no sway over you. What freedom we enjoy.

Yes, we live in a great nation, but we serve an even greater God!
